

Notes:
 Boundaries are indicative. Aerial imagery shown for context purposes only.
 The local LCAs at North and South Kesteven were digitised with the Regional sub-areas from district "Landscape Character Assessment Reports" (2007, 2007) publicly available documents provided by respective district councils.
 The LCAs in Boston and East Lindsey Council areas were digitised from "Landscape Character Assessment of Boston Borough" (2009) and "East Lindsey District Landscape Character Assessment- Part 2" (2009) respectively.
 South Holland LCAs were digitised from the character zones identified in "The Historic Landscape Characterisation for Lincolnshire" (2011) and "South Holland District Council Strategic Landscape Capacity Study" (2003) documents supplied by the South Holland District council.
 The Redline Boundary (the Site) contains information provided by Ardent Management for the Solar Array Area on 07/07/2023, the Cable Route Corridor on 28/07/2023, and the Access Route Corridor on 26/10/2023.
